

"Grateful Results"

A life of suffering and misery, without sleep, without appetite. Restored to health by

Ayer's Sarsaparilla

"I was grievously afflicted with biliousness and liver complaint. My mouth was in a terrible condition every morning, my tongue thickly coated, my breath was offen-

sive, food distressed me, I suffered much from headache, my skin was sallow, and the many remedies recommended me did no good. At last I commenced using Ayer's Sarsaparilla, and my improvement began almost from the first dose. It relieved the distress about my liver, caused my food to digest well, cured my headache, improved my complexion, and restored my appetite. These unlooked-for but grateful results were accomplished by only two and a half bottles of Ayer's Sarsaparilla."—Mrs. Lydia M. Tarnox, Altoona, Pa.

There are many imitations Sarsaparillas.

MAUI HAD A LIVELY WEEK IN SPORTS AND SOCIETY

Races, Tennis, Baseball, Polo and Garden Party.
A Railroad Tragedy Furnished Another Side of the Picture.

MAUI, August 16.—Maui celebrated Admission Day on the 12th in true sportsmanlike style—by races, tennis, baseball and polo. There were races at Spreckels' Park, Kahului, championship baseball at Lahaina, and tennis, polo and baseball on the Sunnyside grounds, Paia.

The various plantations granted a holiday so that all these events were largely attended.

The tennis tournament under the auspices of the Puunene Athletic Club was a decided success and was witnessed by several hundred people from Puunene, Spreckelsville, Kahului and the Makawao villages, who not only much enjoyed the sport, but also the day's outing favored by most delightful weather. The tennis flannels of the gentlemen and the white dresses of the ladies rendered most attractive, the scene presented under the tall spreading trees of the Sunnyside courts.

The first games began at 9:30 a. m., and continued with but little interruption until 5 o'clock p. m. The following is the score:

Winners.

Messrs. Krumbhaar and Bazata did the finest tennis playing of the day and well deserved their laurels. The cups which have not yet arrived from San Francisco are described to be quite handsome. They are of silver, twenty inches in height, plain in design with crossed racquets at the top. They will be presented to the winners by Mrs. H. P. Baldwin at the September meeting of the Makawao Literary Society at Puunene.

At Court No. 1, W. O. Aiken acted as umpire and H. I. Shoemaker as scorer; at Court No. 2, Benj. Williams was umpire and F. W. Hardy, scorer.

Between five and six o'clock p. m., directly after the tennis, many of the spectators remained to see the polo played by the first and second fours of the Makawao club.

In the morning on the polo grounds adjoining the tennis courts, there was a baseball game between Haiku and Hamakuaapoko nines. The game lasted but four innings and resulted in favor of Hamakuaapoko, 16 to 6. Some players from Kamehameha added much strength to the winning side.

A GARDEN PARTY.

Last evening, the 15th, in place of the usual "literary" a garden party was given at the residence of Mr. and Mrs. F. W. Hardy of Makawao under the auspices of the Ladies' Aid Society. There was quite a large attendance of district people who enjoyed promenading through the grounds lighted by strings of Japanese lanterns, visiting the various booths, and listening to Hawaiian songs and music by a string band. The candy booth adorned with red, was presided over by Mesdames W. O. Aiken and W. A. Baldwin; the flower booth in yellow was in charge of Mesdames H. P. Baldwin and F. W. Hardy; the ice cream booth in the lanai under the direction of Mrs. F. F. Baldwin assisted by Misses Charlotte Baldwin and Fanny Engle; the lemonade booth in pink was managed by Miss Agnes Fleming; the Japanese tea garden under a wide-branching pepper tree was presided over by Mrs. D. B. Murdoch and Miss McGowan, who, dressed in kimono, served tea at small tables. The mysterious tent almost hidden by a large acacia, was occupied by an oriental seer who had more palms to read than the time allowed. This was under the direction of Mrs. D. von Tempisky and Mr. Bazata.

Quite a sum of money was realized at the different booths which will probably be donated to the Hilo Boarding School by the Makawao ladies.

RAILWAY CASUALTIES.

Monday morning, the 14th, a fatal accident occurred at Puunene planta-

tion which resulted in the death of one Japanese laborer and the serious injury of two others.

A plantation railroad engine hauling a number of cane cars filled with laborers picked up an empty car on a side track thereby bringing about the disaster. The cars were attached to the front of the engine and the empty car was coupled to those occupied by the Japanese. In pushing the train over a switch the empty car jumped the track and swung around, but remained fastened to the train. This swinging about of the car caused the others to bump about in such a manner as to finally spill out the passengers. It is stated that the empty car striking a large rock by the side of the track caused most of the trouble. All the laborers were thrown out with little injury excepting the three unfortunately—one of whom was instantly killed by falling under the wheels. A second had his thigh broken and the third, his foot crushed.

A coroner's jury was convened at noon and brought in a verdict of death by accident.

After two days' hearing before District Magistrate W. A. McKay of Wailuku, the Puunene engineer, Alfred Douse, was committed to the next grand jury on the charge of murder.

On Monday, the 14th, Circuit Judge A. N. Kepoikai admitted him to \$5000 bail which up to the present time has not been furnished.

STRONG MAN ISSUES CHALLENGE.

Mr. Oskar Staar, the German hercules and champion strong man, lately arrived, challenges any man in town to a test of strength. Mr. Staar states that he is willing to wager that he can lift more weight, by slow pressure, above his head with one hand than any other man can lift in the same position with two hands. He hopes some one will compete against him in this challenge.
